

Yenepoya (Deemed to be University)

Yenepoya (Deemed to be University) invites applications from suitable candidates to pursue their doctoral research in the following area:

- **Bioinformatics/Computational Biology – Genomics and Proteomics**
- Eligibility: Master's degree in science/engineering with at least 60% marks
- Candidates with prior bioinformatics research experience and/or CSIR-NET/GATE/etc. will be preferred
- University offers Junior Research Fellowships (JRF) to meritorious non-CSIR-NET candidates

Interested candidates may email their CV, statement of research interest, and other relevant information as a single PDF file to research@yenepoya.edu.in (Yenepoya Research Center). This call is open-ended, and applications will be screened on a regular basis and selected candidates will be called for an interview. Informal enquiries can be directed to RSP Rao (drsprao@gmail.com).
